Town Hall Meeting SPT re-piping project

Monday, March 28th at 6:00 P.M. City Scene Pool Area

Please join us for a discussion of the City Scene re-piping project. Specialized Pipe Technologies (SPT) and Summit Building Consulting, Inc. will be on hand to discuss the project and answer questions. SPT will be replacing Qest Polybutylene piping and any partial copper repairs in unrepiped units at City Scene.

Please contact Exclusive Property Management at (619) 497-1190 with any questions.
